Yea yea yea

Hey baby, it's all it's all about you
I don't know how this happened
I feel like you're the one and
I feel like I done slipped up and fell somewhere inside
your love
I think, I think I found that
Missing piece, I been searching for
Cause this broke half a heart that I have is right with
yours baby

You are, you are, you are!;
You're that blow your mind, you're that one of a kind
You're that hard to find, searching your whole life
And I'm so glad that you're my love yea
Mine, all mine, all mine
Girl, you're what I need
Say forever you'll be
All mine, all mine
And I can't get enough
I'm glad that you're mine, all mine, all mine
I won't give you up, forever my baby
All mine, all mine
All mine, all mine

You know you are my best friend
What more could I ask for?
Someone who understands exactly how I feel way
before I even open my mouth
Oh, what we had was rare girl
Something that you only find in fairytales girl
You came and loved my heart back to life
That's when I figured out that you were

you are, you are, you are!;
You're that blow your mind, you're that one of a kind
You're that hard to find, searching your whole life
And I'm so glad that you're my love yea

Mine, all mine, all mine

Girl, you're what I need
Say forever you'll be
All mine, all mine
And I can't get enough
I'm glad that you're mine, all mine, all mine
I won't give you up, forever my baby
All mine, all mine
All mine, all mine

Oooo I know I love her
I, I know I love her
I, I know I love her
Know I love her like
Oooo I know I love her
I, I know I love her

If you know you love your girl say yea

Oooo I know I love her
I, I know I love her
With every part of me yea

It didn't take me a while just to figure out that you're all
mine

Mine, all mine, all mine
Girl, you're what I need
Say forever you'll be
All mine, all mine
And I can't get enough
I'm glad that you're mine, all mine, all mine
I won't give you up, forever my baby
All mine, all mine
All mine, all mine

All mine
My girl,(mine), my girl,(mine), my girl
All mine
My world,(mine), my world,(mine), my world
Yea yea yea

You know you got my love
You know you got my heart
You know you got my love
And you know you got my heart

You know you got my love
You know you got my heart
You know you got my love
You know you got my heart
