Featuring Lil Twist

Yea you said your man do what big
I can do it bigger
Can see the charm, Louie V on the snicker
Baby I'm a star, up in my own galaxy
Up in first place, nothing else come after me

He swag it down loaded, I've been owned it
Anywhere you wanna go, that's where I are
I'mma need you to stay focused, if you're getting
noticed
Baby, you ain't gotta look far

If you don't know
Uuuh girl you're gonna know
Just believe what I said
I'm willing to bet
Bet I hold you down when he ain't around

Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that girl
Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that

I know you want some more, Juicy Couture
I could put you on baby, take you on tour oh yea
I know you like me, it's getting out, you fight it
How really does he? Why your man steady tryin?

He swag it down loaded, I've been owned it
Anywhere you wanna go, that's where I are
I'mma need you to stay focused, if you're getting
noticed
Baby, you ain't gotta look far

If you don't know
Uuuh girl you're gonna know
Just believe what I said
I'm willing to bet
Bet I hold you down when he ain't around

Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that girl
Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that

Girl put it on something (put it up)
Girl put it on something (girl, put it up)
I'mma have you right up up in these arms or I'mma nail
something
Know something ain't right
If you ain't with me girl
Won't you bet it on some that you never never had,
something like me girl

She like the way I swag hard, said I never had a nigga
like you before
So I introduce you to the fly life
Them movie lights, Marilyn Monroe
Got a small gap like Keyshia Cole
Back in '08 but I can fix it though
Your sexy ass, your butt size
I eat it fast like pizza rolls
Me and Jacob on the lady stroll
Y'all chicks are imaginary
I need a girl that kissed a girl and ain't scared to tell it
like Katty Perry
Or the chick from the wild thorn berry
Don't discriminate, I just get it
In bed I'm the best, they hit at me then uh

Girl put it on something (put it up)
Girl put it on something (girl, put it up)
I'mma have you right up up in these arms or I'mma nail
something
Know something ain't right
If you ain't with me girl
Won't you bet it on some that you never never had,
something like me girl

Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that girl
Bet it, bet it, Bet bet it, bet it, Bet bet it, bet it, Bet
You can bet that

Girl put it on something (put it up)
Girl put it on something (girl, put it up)
I'mma have you right up up in these arms or I'mma nail
something
Know something ain't right
If you ain't with me girl

Won't you bet it on some that you never never had,
something like me girl
