Chorus:

With a little snow, and a little cheer  
Everyone is glowing, cause Christmas time is here!  
With a Little snow, and a Little cheer  
Everyone is glowing, cause Christmas time is here!

It's time for Christmas, for what the real meaning is  
So gather your families... the elders and kids.  
For a child the greatest gift is the meaning  
That we are all here!

Bridge:

... we're angels who  
Angels who bound down and give praise to you  
... we're angels who  
Bound down before you and give praise to you!

Chorus:

With a little snow, and a Little cheer  
Everyone is glowing, cause Christmas time is here!  
With a Little snow, and a Little cheer  
Everyone is glowing, cause Christmas time is here!

This is the season for giving and care  
Carrying for everyone, is a season to share

Happy birthday, this Christmas Day  
You're the greatest gift given away!

Bridge:

... we're angels who  
Angels who bound down and give praise to you  
... we're angels who  
Bound down before you and give praise to you!

Chorus:

With a little snow, and a little cheer  
Everyone is glowing, cause Christmas time is here!  
With a Little snow, and a Little cheer  
Everyone is glowing, cause Christmas time is here!

... I give to the world  
Come on here people, and dream boy and girl!  
Born in the... give to the world  
Come on here people, and dream boy and girl!

Chorus:

With a little snow, and a little cheer  
Everyone is glowing, cause Christmas time is here!  
With a Little snow, and a Little cheer  
Everyone is glowing, cause Christmas time is here!
