What of the dollar you're fighting for?
Is that the one fighting for your soul?
Oh your brother's the one that you're running from
buddy
If you got money give it cuz I want some

Okay, ain't nobody messing with my clique clique
clique clique clique
Ain't nobody fresher than my, than my clique clique
clique clique clique
As I look around they don't do it like my clique clique
clique clique clique
And they always hatin cuz they wanna be in, they
wanna be in
They wanna be in, yea they wanna be in
In my clique

You know we ridin, you know we ridin
Soon as we walk in they show us some love
It can help to be this fly, if we ain't you know it ain't
right
I can see it in your eyes
You can't get enough

Many kneeling when we walking in the building
Pretty women I be feeling I be feeling I be feeling
Young cat from the mill in, you know that I'm killing
So you know

Okay, ain't nobody messing with my clique clique
clique clique clique
Ain't nobody fresher than my, than my clique clique
clique clique clique
As I look around they don't do it like my clique clique
clique clique clique
And they always hatin cuz they wanna be in, they
wanna be in
They wanna be in, yea they wanna be in
In my clique

Yea, I know Denzel, I seen him the other day
On the carpet taking pictures at a premiere in LA
Big time just because of size of the face
And a bezzle in my watch could put a chicken in a daze
Scotty pimpin in the lane when I'm switchin in the coupe
So you know just how I'm ballin when I go over the roof
And I'm aim high reppin but it's crown word to
I don't care if Buddy coughin cuz she your girl too
You ain't fresher than my clique

Okay, ain't nobody messing with my clique
Ain't nobody fresher than my, than my clique clique
clique clique clique
As I look around they don't do it like my clique clique
clique clique clique
And they always hatin cuz they wanna be in, they
wanna be in
They wanna be in, yea they wanna be in
In my clique

So many people hatin on my crew
Tryina figure out how we do what we do
Don't worry 'bout it baby, think about yourself
Don't worry 'bout it if you tryina get ahead
I don't want because of how it is to Peter, only took up
in your crew
How did you do like you do?
Demand respect when I step up on your set
You know

Okay, ain't nobody messing with my clique clique
clique clique clique
Ain't nobody fresher than my, than my clique clique
clique clique clique
As I look around they don't do it like my clique clique
clique clique clique
And they always hatin cuz they wanna be in, they
wanna be in
They wanna be in, yea they wanna be in
In my clique
