Help, I need some body
Help, not just anybody
Help, you know I need someone
Help!
When I was younger
So much younger than today
I never needed anybody's helping anyway
But now these days are gone
I'm not so self-assured
And now I find I've changed my mind
And opened up the doors
Help me if you can I'm feeling down
And I do appreciate you being around
Help me get my feet back on the ground
Won't you please, please help me?
And now my life has changed in oh so many ways
My independence seems to vanish in the haze
And every now and then I feel so insecure
I know that I just need you
Like I've never done before
Help me if you can I'm feeling down
And I do appreciate you being around
Help me get my feet back on the ground
Won't you please, please help me?
