Life aint fair life aint fair
But I aint care
And when I aint there you'll say why aint he here
He always told me he'd be there
But I'll be home sittin on my chair
Sittin on sky air and all I'll say is life aint fair

I am WHAT I am and I am a beast
Better than that dog whose off his leash
Why did you take this dog off his treats
Born in the ditch and raised in the creek
I went from days into the weeks
Without people listening to me when I speak
Now I can smell the bullsh** comin out your teeth
Damn close your mouth cuz that sh** reeks
Don't act like I don't know who u are beneath
I eat a new rapper every day of the week
By da end of the month there wont be nothin to eat
All that left is the meat n beats
I'm on fire someone better call a priest
But even cops can't stop my heat
Can be put out cuz the gas is ma striek so why can't you
see
That if you ask about me they'll say I'm insane
And I can't be tamed
The only fire that can put out rain
Everytime I get higher they scream my name
You gonna lose you voice by the time I'm halfway
I'm a beast and broke my chain
This is the start of my fame
Don't have a heart and lost my brain
And my art is my only pain
I'm michaelangelo just like wayne
Fu** mona lisa who wants ta own a lisa
I'd rather phone a lisa dome that lisa
Bone that lisa make her known n like visa
The send her home to her sista
And all y'all that call need to not suck up
Cuz when I ignore ya you say it's fu**ed up
Cuz all I'll say is

Life aint fair life aint fair

But I aint care
And when I aint there you'll say why aint he here
He always told me he'd be there
But I'll be home sittin on my chair
Sittin on sky air and all I'll say is life aint fair
