Black blue broken in two
I'm a victim of passion
You don't know what I've been through
And I'm fallin', fallin' down
So deep that I can't breathe
Well I'm a slave to attraction
I run from the mirror
Because every time I look at you
I get twisted
I can't turn my back on you
I get twisted
I'm scared of what you make me do
I get twisted
I can't eat and I can't sleep
It's a dance of disaster
I'm falling over my own feet
And I'm crying, crying out
24/7 for your beautiful torture
100 miles an hour down a dead end street
And every time I look at you
I get twisted
I can't turn my back on you
I get twisted
I'm scared of what you make me do
I get twisted
Black and blue
Broken in two
I'm a victim of passion
You don't know what I've been through
And I'm fallin', fallin' down
So deep that I can't breathe
Well I'm a slave to attraction
I run from the mirror
Because every time I look at you
I get twisted
I can't turn my back on you
I get twisted
I'm scared of what you make me do
I get twisted
I can't turn my back on you
I get twisted
I'm scared of what you make me do

I get twisted
