At arrival your distant (what have you done).  
No your not the same (am I the only one).  
Who are you? Who are you?  
Falling down, to the ground,  
Catch back up with me.

Home alone tonight,  
Sitting by the fireside,  
You moved, me to this.

Home alone tonight,  
Sitting by the fireside,  
You moved, me to this.

Don't try to sing me to sleep (what have you done).  
You know you should be ashamed (cuz' you were with  
someone).  
Who are you? Who are you?  
Why can't I, break this noose around,  
This noose around my neck

Home alone tonight,  
Sitting by the fireside,  
You moved, me to this.

Home alone tonight,  
Sitting by the fireside,  
'Cause you moved, me to this,  
Me to this, yeah

Home alone tonight,  
Sitting by the fireside,  
You moved, me to this.

Home alone tonight,  
Sitting by the fireside,  
You moved, me...

Home alone tonight,  
Sitting by the fireside,  
You moved, me to this.

Home alone tonight,  
I'm sitting by the fireside,  
'Cause you moved, me to this.

Home alone tonight,  
Sitting by the fireside,  
By fireside
