Cannon whispers fires, throughout
The night he swears he loves her
It's not that simple anymore.
They could not shut these doors,
Would they get back to shore?

Hearts in a Daze,
Didn't wanna part ways.
Who pulled the breaks now,
Why are we stopping

Hearts in a Daze,
Didn't wanna part ways.
Who pulled the breaks now,
What's with the breakdown,
Why are we stopping,
Constantly stopping.

What do you do if someone leaves you?
Did that person teach you?
Could they reach you,
When you're on the other end of the tunnel?
Did the rules bend, if you're asked
Do you know why or when?
Is it now? Was it then?
What would I do without my pen?

Hearts in a Daze,
Didn't wanna part ways.
Who pulled the breaks now,
What's with the breakdown,
Why are we stopping,
Constantly stopping.

If you don't know, now you know
If you don't know, now you know

Hearts in a Daze,
Didn't wanna part ways.
Who pulled the breaks now,
What's with the breakdown,
Why are we stopping,

Constantly stopping.

Hearts in a Daze
Who pulled the breaks now
