[Verse:]

He cares so much about her,  
She doesn't even know.  
He loves her too much,  
She doesn't even know his touch.

[Chorus:]

He needs to wake up and see  
I love him,  
And he can love me.  
I care about him,  
He might care about me.

[Verse:]

He needs her,  
I need him  
He sees her, I see him

(Chorus)

Verse: he's real, she's fake  
He's perfect in everyway, she's flaud  
He's right she's wrong.  
He's probably hypnotized

(Chorus)

Verse: he walks by her,  
She looks the other way.  
He feels the love for her,  
I feel the love for him.

(Chorus)

He needs to wake up  
I love him
