Carnivals and cotton candy
Carousels and calliopes
Fortune-tellers in glass cases
We will always remember these
Merry-go-rounds quickly turning
Quickly turning for you and me
And the whole world madly turning
Turning, turning 'till you can't see
We're on a carousel
A crazy carousel
And now we go around
Again we go around
And now we spin around
We're high above the ground
And down again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
We're on a ferris wheel
A crazy ferris wheel
A wheel within a wheel
And suddenly we feel
The stars begin to reel
And down again around
And up again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
Carnivals and cotton candy
Carousels and calliopes
Crazy clowns chasing brass rings
Soda pop and rock-candy trees
Merry-go-rounds quickly turning
Quickly turning for you and me
And the whole world madly turning
Turning, turning 'till you can't see
We're on a carousel

A crazy carousel
And now we go around
Again we go around
And now we spin around
We're high above the ground
And down again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
We're on a ferris wheel
A crazy ferris wheel
A wheel within a wheel
And suddenly we feel
The stars begin to reel
And down again around
And up again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
We're on a carousel
A crazy carousel
And now we go around
Again we go around
And now we spin around
We're high above the ground
And down again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
Carnivals and cotton candy
Carousels and calliopes
Kewpie-dolls with painted faces
Tricky shell games and missing peas
Merry-go-rounds quickly turning
Quickly turning for you and me
And the whole world madly turning
Turning, turning 'till you can't see
We're on a carousel
A crazy carousel
And now we go around
Again we go around
And now we spin around
We're high above the ground
And down again around
And up again around

So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
We're on a ferris wheel
A crazy ferris wheel
A wheel within a wheel
And suddenly we feel
The stars begin to reel
And down again around
And up again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
We're on a carousel
A crazy carousel
And now we go around
Again we go around
And now we spin around
We're high above the ground
And down again around
And up again around
So high above the ground
We feel we've got to yell
We're on a carousel
A crazy carousel
