No, love, you're not alone  
It's all right if you cry  
If things don't turn out right  
All we can do is try  
We'll see a show tonight  
There's something we can buy  
No, love, you're not alone  
Don't let it get you down  
It's just another day  
And everything's turned brown  
You've walked your bloody mile  
I'll hold you for a while  
No, love, you're not alone  
I swear the sun will rise  
I promise you you'll laugh  
Here, love, dry your eyes  
Come on.  
Come, we've got each other now  
That's got to be enough  
Pretend you're really tough, love  
Come on, love, come on  
We've got each other now  
And it that's not enough  
Remember being young  
The days all strung with bells  
We caught the sea in shells  
We conquered wishing wells  
And songs of carousels, love  
And if you still feel sad  
Remember making love, it really wasn't bad  
When that was all we had  
The paradise in bed, remember that instead  
Instead of all these sorrows  
So rest here in my arms  
For we still hold tomorrow  
No, love, you're not alone  
No matter how you feel  
When shadows cut like knives  
And none of this seems real  
We wish away our lives  
Yet somehow we survive

No, love, you're not alone  
Your wounds one day will heal  
Perhaps you feel too much  
And maybe that's the crime  
Perhaps you pray too much  
And there isn't any shrine  
No, love, you're not alone  
I swear the earth will stay  
White doves will soon fly down  
I promise you your day  
Come on.  
Come. We'll sing old melodies  
We'll sit with birds in trees  
And sing for whom it pleases  
Love, come on  
We'll dance across the moon  
Turn midnight into noon  
Pour perfume on the breezes  
Where nothing ever grows  
Where no one ever goes  
In lands of storms and snows  
We'll plant one burning rose, love  
And if you still feel sad  
I'll seize the passing years  
I'll squeeze out all the tears  
The newsreel of our life  
I'll play it in reverse  
Your pain will fall away  
We'll relive yesterday  
And start where we began, love  
We'll do it if we can, love  
We'll do it if we can...  
Come on, love. Come on. Come on. Come on.
