If we only have love  
Then tomorrow will dawn  
And the days of our years  
Will rise on that morn

If we only have love  
To embrace without fears  
We will kiss with our eyes  
We will sleep without tears

If we only have love  
With our arms open wide  
Then the young and the old  
Will stand at our side

If we only have love  
Love that's falling like rain  
Then the parched desert earth  
Will grow green again

If we only have love  
For the hymn that we shout  
For the song that we sing  
Then we'll have a way out

If we only have love  
We can reach those in pain  
We can heal all our wounds  
We can use our own names

If we only have love  
We can melt all the guns  
And then give the new world  
To our daughters and sons

If we only have love  
Then Jerusalem stands  
And then death has no shadow  
There are no foreign lands

If we only have love

We will never bow down  
We'll be tall as the pines  
Neither heroes nor clowns

If we only have love  
Then we'll only be men  
And we'll drink from the grail  
To be born once again

Then with nothing at all  
But the little we are  
We'll have conquered all time  
All space, the sun and the stars
