I was feeling so small
I was feeling like I was any feet tall
I was feeling (I was feeling) so down and out
And I'm wonderin'
What this life is all about

What is love
If This is it
Cause I tried
To find my love
The perfect fit
My love

Now I'm feelin'
A change oh yeah
And I'm wonderin'
If it was more than a phase

And i was seein (I was seein)
People come and go
And I'm waiting for the day
I can call you my own

What is love
If This is it
Cause I tried
To find my love
The perfect fit
My love

From the moment I stopped looking, searching, hoping
to find
The handsome devil who can stand my lows and highs

Say wo ho ho
The post on my love shop door was flipped to closed
to which you sighed and replied
Come'on baby can't you please turn over that sign

Cause This is love (yeah)
This is it

And I tried
And I found
My perfect love
My perfect fit
My love

This is love (yeah)
This is it
And I tried
And I found
My perfect love
Perfect fit
My love

This is love
This is
This is
This is
