I heard from a friend today,
And she said you were in town.
Suddenly the memories came back to me in my mind.

How can I be strong I've asked myself,
Time and time I've said,
That I'll never fall in love with you again.

A wounded heart you gave,
My soul you take away.
Good intentions you had many,
I know you did.

I come from a place that hurts,
And God knows how I've cried.
And I never want to return,
Never fall again.

Making love to you never felt so good and oh so right
How can I be strong I've asked myself,
Time and time I've said.
That I'll never fall in love with you again.

So here we are alone again,
Didn't think it'd come to this.
And to think it all began with just a little kiss.
I've come too close to happiness, to have it swept away.

Don't think I can take the pain, never fall again.
Kinda late in the game and my heart is in your hands.
Don't you stand there and then tell me you love me,
then leave again.
Cause I've fallen in love with you again.

Hold me, hold me.
Never let me go.
Say it just one time,
Say you love me.
God knows I do, love you, again.
