What's up ma? Is we fuckin' or what?  
Haha, trying to say something tonight baby  
I know everybody ask their chick this question  
In the house, in the club, in the car, outside,  
everywhere

(Chorus 2x)

All my stripclub honeys is we fuckin' or what?  
All my eat-pill honeys is we fuckin' or what?  
All my hoodrat honeys is we fuckin' or what?  
I just wanna know one thing, is we fuckin' or what?

(Jadakiss)

Ain't no need in buying a drink or holding a convo  
If you ain't coming back to the condo  
It's damn near 4 in the morning ain't shit to discuss  
Til you ask which dick do you suck  
I'm trying to fuck til it's light outside  
You feel the same? Get your coat get your friends  
The truck right outside  
Listen ma I wanna ball out  
So when I nut I expect you to suck it all out  
And let my man tear your walls out  
Cause he just came home and he need pussy to fall out  
I get it crump ask the fellow players  
Kiss hit more hoes than they list in the yellow pages  
It's never to cuff 'em share 'em right after I fuck 'em  
To come clean I'm a mellow gangster  
Pass a chick like a baton runner to runner  
Been through a million thongs from summer to  
summer  
So you'll never see J stressed they always say yes  
Everynight dog I be bustin a nut  
I just can't stop gettin' the butt  
And the only thing I ask girlfriend is we fuckin' or what?

(Chorus 2x)

(Jadakiss)

Look if you don't like men be out  
And if it's all good and you got a girlfriend then we out

Please don't hit me with the two worse lines  
How you don't be doing this or this is your first time  
Listen we all grown bitch you came here on your own  
bitch  
I leave them lawsuits alone bitch  
She try to tell me she model  
I told her me too you ain't saying nothing slick suck it  
and swallow  
I just wanna hit you from the back and watch the Apollo  
And if the pussys all that I might holla tomorrow  
But you acting like a rabbit how you cling to the carrots  
It ain't the bling it's the nigga ma get it and stash it  
Caught a coy, caught a flashback check this out  
Bring your girlfriend in the room shorty and lick her  
asscrack  
And even though your tounge stuck in her butt  
The only thing I wanna know is we fuckin' or what?

(Chorus 4x)
