Close your eyes
Find me deep inside
No surprise
I'll be waiting tonight
For your love and your touch
Don't be afraid to stay the night

Take a chance
To find the romance
There's a key
That will open my heart
To be free - Once again
Won't you listen to me now
Listen to me

chorus:
I'll be your sun
I'll be your rain
Believe in me until the end
When times are gray
Right here I'll stay
With you now

Risk it all
Every time you fall
Like a child
Gonna tell the world
You and I - Once again
We will never be apart
Listen to me

repeat chorus

Every time that you hold me boy
I feel your love deep down inside

Close your eyes
Find me deep inside
No surprise
I'll be waiting tonight
For your love and your touch
Don't be afraid to stay the night

Listen to me

repeat chorus 3x
