I feel your last come back  
Everytime, it starts to rain  
And still I wonder why  
You callin's me so much baby

Come closer now  
I want your touch  
Deep down inside  
I hope so much  
I'll show you how  
To do it right  
Everytime I hear your voice I just can't let you go

Chorus:  
Listen to my heart  
Wanted tell you from the start  
That you're all that I need  
And your love is all I want for well  
Listen won't you listen  
You're all I need  
Listen to my heart

I feel I'm in a dream  
Your foolish games tonite  
Confused, emptness this need  
Taking everything would workin's right

Come closer now  
I want your touch  
Deep down inside  
I hope so much  
I'll show you how  
To do it right  
Everytime I hear your voice I just can't let you go

Chorus

Won't you listen to... my heart my heart  
Won't you listen to... (my heart....)  
Listen to my heart

Chorus and Fade
