Hey, come over here
All we've got is this moment
Twenty-first century's yesterday
You can care all you want
Everybody does [yea that's okay]
So slide over here
And give me a moment
Your moves are surreal
I've got to let you know
I've got to let you know [Uh]
You're one of my kind
I need you tonight
Cuz I'm not sleepin
There's something about you baby
Ooh that makes me sweat
How do you feel?
All lonely
What do you think?
I Can't think at all
Whatcha gunna do?
Gonna live the life
So slide over here
And give me a moment
Your moves are surreal
I've got to let you know
I've got to let you know
You're one of my kind [Uh]
I need you tonight
Cuz I'm not sleepin
There's something about you baby yeah
Ooh that makes me sweat
How do you feel?
All lonely
What do you think?
I Can't think at all
Whatcha gunna do?
I'm Gonna live my life
How do you feel?
All lonely [Ow!]
