[Verse 1 = Jada]

Yo, can't really figure this clown out
Where is he from Jamaca, Queens, Cali or down south?

And i could let an LA gun hit 'em
But Grape Street already told me you pay 'em to run
wit' 'em (?)
I could let a New York knife poke 'em
With 1 of my throw aways but i don't wanna see no cops
smoke 'em
Uh somebody tell Pa we ridin' (we ridin')
And get read to auction of the car he die in (Ebay)
Whenever we bump heads, since you like havin' people

Without Dr.Dre you would just make slow jams
Come up outta that witness protection program (??)
Hov don't really respect you, get in ya place
If Big was alive he'da probably spit in ya face
Nas been doin' just fine without you (esco)
And pac probably woulda made an album about you

So i guess that just leaves me here to get rid of you
And Rakim an 'em they don't even consider you (uh uh)
Em know you aint got nothin' for jada (nothin')
And i know he appreciates all the money you made 'em
It's two thousand and 5 nobody fights fair (uh uh)
I just know an instrumentals ya worse nightmare
But you tough and you bad too bad you mad (yea)
Probably been in ya own hood more than you have (ok)
Yea you sold more records than me
But in the streets you gon' always be second to me

We was damn near feelin' you (uh huh)
Even though ya careers is based on somebody damn
near killin' you
Shit you be doin' aint even considered rappin' to us

This is probably the best thing to happen to us
The best wanksta, internet gangsta, magazine mobster
Shit on ya whole roster (uh)
Get ready to say hail mary's and our fathers
Get out ya black suits and hard bottoms
