Hit the club f*ck a b*tch then its back to the money
Studio, write a hit then its back to the money
Got my partnas out the pen now its back to the money
You lookin at me boy you got your back to the money
Hit the club f*ck a b*tch then its back to the money
Studio, write a hit then its back to the money
Got my partnas out the pen now its back to the money
You lookin at me boy you got your back to the money
Im from Riverdale this shits like Compton
where you niggas from what the f*ck you smoking
Everything is on me mister let it go
lâ€™™ m turned up shawtie lâ€™™ m so paid
â€™™ cause loud ass diamond needa hearin aid
55.000 if you want to see me on stage
Flexed up itâ€™™ s too turnt up, cant turn me down see
you on the ground
Remi Martin drink it by the case
Close case if you win up in my face
gang signs in this face who this f*ck nigga
Say she want it kids but she gotta kids
Yellow diamonds buy the shit thatâ€™™ s why..
..but another slip real shit
My niggas blood some crips
extenders on block when i squeeze the grip
[2 x Hook:]
Black force, black hoodie with the levi
Montana throwin bullets like eli
Seven digit deals still back to the money
Then city bad b*tche got back to the money
F*ck around get your head mummy wrapped for the
money
Tiger vision f*ck ahoe lâ€™™ ll be stacking the money
lâ€™™ m bit all white, lâ€™™ m bent all night
Bit strap put you up all flight
Anything we on is about it
Green house 3 b*tches tweakin off a molly
From the bottom have to jump through the barbed wire
Now the black ghost through the d block car wash.
makin hits boy nigga sick boy
Got a whole magazine in the clip boy
Ridin round with the. ks in the trunk
R,I,P one time for my nigga Duncan

[hook 2x]

yo these fuck boys killin me million in the trunk
im int the back seat with my back to the money literally
top of the hill got it poppin fo real
like the dude from limitless without poppin them pills
all i see is your face me poppin a steal
bring us back to the block to get back to the bills
i mean back to the money they movin packs for the
money
doin income tax scams gettin accident money
always count it twice make sure its accurate money
never get to comforateble and relax with the money
niggas will run up on you with them gatts for the money
blow your fuckin brains out after they ask for the
money
spend it all on a bitch then its a rap for the money
try to get it back quick and get clapped for the money
usually be the ones that get a dirt nap for the money
after i get the call i just get back to the money
