You did it baby! Congratulations homie! You made history.

1.1 million in a short week. [laughs]

Screw a press conference, press this on your conscience.

i aint mad, i dont wanna sound mad  
i feel marvelous... D-BLock.. double R

We gon' handle this like grown men, you won't win  
You ain't even comfortable in your own skin  
I rap my ass off, fighting the champ with a glass jaw  
at the Garden or Nassau  
See me, couple hood niggas behind stars  
I hear you put a couple good niggas behind bars  
(Preme!)  
I might never sell that much  
But you can bet your last two quarters I'll never tell that  
much  
Picture 'Kiss not come out swingin'  
That's like seeing 50 at a show and he don't come out  
singin'  
Yeah you got a felony but you ain't a predicate  
Never the King of New York, you live in Conneticut  
You don't be in the hoods, you be in the woods  
Fuckin' with me its where you really gonna be for good  
I hold a four-five myself  
Hop out the Range on one-four-five myself  
This is a true fact  
Since when has become cool to get shot and not shoot  
back  
Trackmasters shelved you, Bravehearts helped you  
Then everybody felt, now I gotta melt you  
And don't try to pull rank on 'Kiss  
Cause the niggas I'mma send to do, it ain't gon' miss  
Be laid up stiff, I spit straight up piff  
I did real songs with Big, no made up shits  
And I don't have a problem with clout  
You aint get shot again yet,  
so whats your second album about? (Nothing)  
Your raps are preschool

You made a lot money, now be cool  
Before I swell up your lips like seafood  
Can I get a mic check?  
You don't stand a chance at the dance with me dogs  
You steps ain't right yet  
The Block is just fine, homie the D's straight  
Most likely your new CD is a weed plate  
A bunch of love songs  
One hundred percent pure garbage  
Just something to break up buds on  
You should just sell clothes and sneakers  
Cause out of your whole camp, your flows the weakest  
I'm in the town where the young boys is clappin'  
You running around town with the Lieutenant and  
Captain  
It'd take a life time to see 'Kiss  
You had to get shot nine times to be rich

Rat ass nigga youse an animal, youse a motherfucking  
animal  
Pig ass nigga youse an animal, youse a motherfucking  
animal  
Snake ass nigga youse an animal, youse a  
motherfucking animal  
Matter fact, you ain't no animal  
I'mma show these motherfuckers how to handle you

D-Block!
