Yow green lets launch this muthafucker (invasion) eheh  
eheh eheh

Alot of niggas lost their paps to the drug game  
other niggas lost their blocks when the thugs came  
they knew how to box they ain't know bout the slug  
game  
soon as the money get right, thats when the luv change  
niggas kno who to call when they want raw, Kiss is the  
corner store at the comer store  
D-Block general he stay shinning  
in he back of the van 2k9ing  
Ma dope so strong is giving fiends the hiccops, coke so  
high got niggas doing stickups  
found out another niqqa dead light the piff up, make  
sure one is in the head load the fifth up (every verse  
deserves a pullback 3x)  
play Ma hand right babe I held aces  
None on the scene but blood and shell cases  
Nike gloves on the team they can't trace us  
snitches on the witness protection getting facelifts  
these niggas would never be able to fuck with me  
say Ma grave before I give em a buck 50  
whole hood with me they hating be on spiffy  
everything is a short shot none iffy  
Feel dancing with the devil on occasions  
Ma delivery is incredible and amazing  
listen when ain't selling records am selling haze in  
bout to have the sour and the kush in a couple dayz in  
back to these faggotass industry niggas, everybody  
consider yourself enemy niggas  
headshots same way it did Kennedy niggas  
me P and Louch is the rap trinity niggas  
and it's all real here ain't no scripts to it  
Jail niggas spending yard n burn sticks to it  
other niggas zone out knock off bricks to it  
Double then an Add lib light lil mix to it

Jail nigga
