Uh huh  
All I want you to do is feel me  
Why take time out, to give you the real me  
Uh, uh, uh

Ayo I grew up very athletic, hard headed  
Thought I knew everything, wanted to do everything  
I was spoiled, stubborn, the only child  
So the only thing I could do was hold it down  
Now this is something that I could tell you that's no  
bullshit  
I always been wicked with the flow since a lil' kid  
My first addiction, GI Joes and icies  
After that it was light skinned girls and Nikes

Breeze through junior high school, then high school  
Couple of semesters of college and then night school  
Moms start riffin', talkin' 'bout how she can't support a  
grown man  
So the god start flippin'  
Pops used to say shit, but never to me much  
Was like he wasn't even there 'cuz we ain't agree much  
Used to be gone for whole weeks at a time  
Puffin' one eleven, used to roll three out a dime

Then I found myself sleepin' in late, doin' nothing  
Fuckin', runnin' with the niggas that was hustlin'  
Shop wasn't open then, niggas was workin' for a pair of  
Jordans  
The next two weeks they was broke again  
Me and K keep havin' talks of gettin' Coke again  
But the block was crowded we waitin' for an openin'  
Meanwhile shit still slow we still flowin'  
Never stop or look back we still goin'

Bop passed the demo to Mary then she passed it to  
cousin  
We thought it was on but it wasn't  
And we can't blame nobody  
Look at us now dog, we came in the game nobodies  
Double R and Interscope, put that cake up  
And we ain't go platinum but we made niggas wake up

Got 'em all talkin' 'bout pumpin' the brick  
And they only go and see papi to get somethin' to sniff

I'm 'bout to fuck the game up for real like in the World  
Series  
Nigga that parachute down in the field  
I don't rap I provide you bars  
And the pain is invisible, but you can't hide the scars  
So y'all never be on the level that we're on  
Ability to have dope thoughts and spit heroin  
I'm good just wakin' up that's how I know I got one more  
chance  
To go and cash in and cake it up
