I had to do it (YEAH)  
Its what the streets want  
D-Block  
Mothafucka  
The hood series  
Remix  
Blow it up, kiss of death  
When it drop, they gon cop like new base  
Kill a nigga thousand times worse than srewface  
Ol' skool, i still clean my jewels wit toothpaste  
Hood rich, i could light the stove wit a new face  
And as far for feds, they gon have to get me at the top  
When you see me, you betta ride if you got the drop  
Cuz i stay wit the magnum, the 3-5-7  
And, i can get the diesel, own T by 11  
If you wanna do the math, don't come back til' you sold  
every gram for a hundred and a half  
Uh, keep up if you could follow the verse  
And i never seen a brick truck follow a hearse  
So that's why i'm an inforcer, the coop is V-10 five point  
five with five hundred horses  
Before long, im gonna catch ya  
Canoscos, and imma moreno Tonyo B.C clefta  
And i don't even drive it, i keep the vet clean  
Stashed in the garage, as G has kept green  
We aint got the most money, but we the best team  
Took a minute, but now im gonno be the next theme  
To tear ya'll niggas apart  
You can buy guns, but you can't buy niggaz wit heart,  
mothafucka  
Uh, yea,  
I can't stand ya'll niggas  
Lets go to court, in the street, and i'll re-man ya'll  
niggas  
I'm so roured, that bullshit aint workin no more  
You wanna be the first rapper dead in the '04  
Two many niggas cool wit' da jaky  
So you let 'em get acquainted with da riv  
And get em cool wit da lake  
But you a hard flow nigga, the way im movin ya space  
Bullets like eyedrops, put two on ya face  
Ya'll neva gon' touch me, kid

Till they put me on the ground or until the FEDS cuff the  
kid  
Empty the pound all on niggas  
Tear up ya wig  
Look down on niggas, looked up to Big  
Fuck watchu' heard Kiss wont do  
He gon give it to niggas and ya'll young boys can get  
some too  
And if mores not like this, after this im through  
Front of the store every day, daddy just come through  
You'll neva get the best of me now  
You'll be after equaty now, my checks look like destiny  
child's  
So ya'll niggas besta be out  
D-Block got the rest of you now  
Smith of west of you out  
Tears, jeans, hoodies, army coat, installation  
I gave ya'll niggas inspiration  
Mothafucka, against the Kiss  
And this the mothafuckin thanks i get  
So i don't care who bank i split  
'~1~'
