Let's go
K I S S me
Uh, and i just wanna make love, love, love
Ya, I love it when you say K I S S me
Uh and i just wanna make love, love, love

A yo, the crib got your friends working
We travel to France for French curtains
You was there when I was on the bench hurtin'
Now that I own my team, it's only right that I condone
my queen

Try to show her my dream and I cant let her get lost
now
She carries the money, the hammers, and material
across town
And understand she fine, and understand she mine
She understands the grind, cooks, cleans, and irons

And whatever she's wanna push, I'ma cosign
And if I ain't got it already, then I'ma go find it
I guess I'ma lucky don, and she a lucky queen
'Cause her jewelry box look like lucky charms

All color stones and she know that I'm in the hood
But she also knows that I'm coming home
Mr. Raspy thought I was in love with money
Till the first time we getting nasty

K I S S me
And I just wanna make love, love, love
I love it when you say K I S S me
And I just wanna make love, love, love

Uh yo, whatever the road to paradise is, we on it
Gave you your income tax checks so I can get on with
Those were the days, these are the times
You held me down with nearly damn near everything,
even my rhymes

I will play a song for you and you will let me know

Exactly how the ladies will respond from a women's
point of view
And that's why my girl is with me
I love it when she layin' in the bed with a pearl-long
Vickie

The next best thing to a soldier
Go hard with a fat ass and a head full of rollers
Just look in her eyes and tell she's real
Just imagine the way she smell and the way she feel

And the sex was crazy then, is crazy still
And you know I'm from the streets, so it's crazy ill
And we waitin' on the new island
We been to all of them, 4, 5 times come on mommy
you whilin'

K I S S me
And I just wanna make love, love, love
I love it when you say K I S S me
And I just wanna make love, love, love

When things was rough, only person I could call was
you
Now everything I do, I do it all 4 you, uh
Come touch me, come kiss me, come love me
Anyway you wanna boy

And I'm hood as long as I'm close to you
And we doing wit grown folks is suppose to do, come
on
Come hold me, come feel me, come take me
Anyway, you wanna baby

Ayo, the money is great but what we got is more better
We got the four letters when it comes from the heart
it's more pleasure
And for the fact that you trust me still
Thus far I appreciate what we've build

All the minks that I bought you that dragged the floor
And all the nights that you sat up and bagged the roar
Damn, I'm thinking that you gotta hate it but yet and
still, you tolerate it
It that's why ma we gotta make it

K I S S me
And I just wanna make love, love, love
I love it when you say K I S S me
And I just wanna make love, love, love

K I S S me

And I just wanna make love, love, love

I love it when you say K I S S me

And I just wanna make love, love, love

U make me say
