Kiss my ass !  
yes sir !  
I don't care who you are  
I don't care what you do  
There comes a time (uh huh)  
Everybody's life (yup!)  
When?  
you just gotta tell a motha fucka

Chorus:  
Yo, If you blatantly hatin' and waitin on my downfall  
Then just be patient, and kiss my ass!  
If you didn't believe and you had a problem  
with my previous l.p's, then kiss my ass!  
If you downright spoiled and feel I don't do enough for  
you,  
That's right, kiss my ass !  
Pop off when you see me, keep it movin or breathe  
easy  
Whateva, kiss my ass!

Verse 1:  
Yo everybody love him  
every body know him  
he gettin money now  
everybody think he owe em?  
they stay askin him for weed plants like he grow em'  
they know if he catch em? violatin he'll blow em?  
Always wanna know what he doin where he goin  
what chain was he wearin, what he drivin ,was he  
glowin?  
who givin him head, who he hittin, who he go wit  
who u seen him in the mall, or creepin out the mo? wit?  
Roc-a-fella, def jam, the right label to go wit  
and when the album drops, are they really gon  
promote it?  
Is L.A behind the project and are you focused?  
I just smile and ask them back, why you wanna know  
this?  
Everybody got they hands out, here we go again  
You aint buy none of his albums, you downloaded them  
He aint got no security, the pound's holdin him

and if he never told you before, you now know it then

Chorus:

If you blatantly hatin' and waitin on my downfall  
Then just be patient, and kiss my ass!  
If you didn't believe and you had a problem  
with my previous l.p's, then kiss my ass!  
If you downright spoiled and feel I don't do enough for  
you,  
That's right, kiss my ass !  
Pop off when you see me, keep it movin or breathe  
easy  
Whateva, kiss my ass!

Verse 2:

I don't care about your hair or your nails  
I aint got no bails and no lawyers for niggas that  
caught sales  
I don't care about your rent or your mortgage or the  
cocaine shortage  
or how many times you been distorted

and I aint got a dime for the limo, for your prom, betta  
get it from your mom  
or get up on ya grind  
I don't wanna hear the garbage about how u need your  
car fixed  
or money to get back and forth to the doctors  
don't try to seduce me cuz I aint got a quarter for a  
Lucy  
Just give me a dap or salufe me I don't wanna hear the  
sorrow I aint got nothin to borrow  
I'm goin on tour so I wont see you tomorrow  
I don't care about the drought, or how much the price  
change  
What u almost did with the bank, at the dice game  
and I'm sorry if I forgot, to tell you how I felt but I really  
mean it a lot

Chorus:

If you blatantly hatin' and waitin on my downfall  
Then just be patient, and kiss my ass!  
If you didn't believe and you had a problem  
with my previous l.p's, then kiss my ass!  
If you downright spoiled and feel I don't do enough for  
you,  
That's right, kiss my ass !  
Pop off when you see me, keep it movin or breathe  
easy  
Whateva, kiss my ass!

Verse 3:

Yo you outside standin around, front of the club  
coulda been went inside, it only cost you a dub  
What u tryna wait on me to get in free  
Only thing is we aint spoke since 2003  
So I act like I don't know you when I see you in the town  
tomorrow I gotta blow you  
This is what I go through  
now I got a lawsuit and u got a velour suit  
Some bullshit jewelry from canal and a 04 coupe  
The car coulda been better, for that to be the case  
the scar woulda been better  
Screw a vendetta, you show it you betta pull it  
but since u tryna count my money then count bullets  
Soon as u allow it instantly you become a liability to  
cowards  
cheaper to send them flowers  
By now you should know it, this is how I feel and how  
I've always felt  
Even though I don't show it

Chorus:

If you blatantly hatin' and waitin on my downfall  
Then just be patient, and kiss my ass!  
If you didn't believe and you had a problem  
with my previous l.p's, then kiss my ass!  
If you downright spoiled and feel I don't do enough for  
you,  
That's right, kiss my ass !  
Pop off when you see me, keep it movin or breathe  
easy  
Whateva, kiss my ass!
