Baby baby, I miss you

Longing for you everyday  
And I reach for you every night  
Baby, nothing's been the same  
Since the day we said goodbye

And I can't go on  
Like this for too long

Baby baby, I miss you

Boy, I need you next to me  
And I'm hungering for your touch  
Caught up in the memories  
And you're all I'm thinking of

'Cause I can't get past  
What we used to have

Baby baby, I miss you

I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need

I'm lost in your love  
And I don't know what to do with myself  
And I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you

All I do is reminisce  
Of the love that we used to share  
Can't recover from your kiss  
Because nothing else compares

Ain't no substitute  
When it comes to you

Baby baby, I miss you

Vision of us hand in hand  
Come to me when I close my eyes  
Baby, I don't understand  
How we let it all slip by

Tell me, can't we try?  
Maybe one more time

Baby baby, I miss you

I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need

I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you

Remember when our eyes first met  
I knew I'd never be the same again  
Why can't it just be like it was  
Enough is enough  
Baby, I miss your love

[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need

I'm lost in your love  
And I don't know what to do with myself
