Yo, yo, I know niggas wit honor and will
That'll still crush the blow up and then pass they mama
the bill
So I'ma always be able to burn my strip
'Cause my bags be stuffed and I burn my tips

And it ain't no telling what the snub'll do
So when y'all go and cop vests, cop one for your
mother too
And I'm way better than them other dudes
But I'm stuck wit, what I'm stuck wit 'cause I don't suck
dick

Sat with the players and I stood with the coaches
And I'ma always be in the hood like roaches
Flow is ferocious, dough is ferocious
Two guns by each lung with no holsters

And I control all the fish scale in the city
And still make your first week sales look pretty
I come through, all you hear is chip in the muffler
And you could ask anybody if the Kiss is a hustler

He's a hustler
I hustle anywhere, any town, any borough, any strip, uh
He's a gambler
I always hold it down, getting bankroll in 4, 5, 6 in trips

He's a gangster
I always make the paper and the F.B.I. got me on they
list
That's why
He's a Ruff Ryder nigga, Ryde or Die nigga
By the way, did I tell you that my name is Kiss?

And I don't understand how a broke nigga could chill
When a two liter'll dust you so get you a mil'
Yes, I got loose ends, popping out the sunroof of the
blue M
I'm like Lou Sims

And I'ma make sure they hit you wit both shorties

I think this summer's gon' be the most bodies
You never ask a nigga in jail if he chilling
Just make sure you make all the sales in the building

'Cuz now niggas think it's all right to tell
And you could put out some garbage and it might,
could sell
A lotta niggas be petty and shiest
But that's only 'til you treat 'em like a video
And edit they life

This is a threat, when I talk you, listen to death
And if I run out of money, then my wrist is a bet
And the streets said they wanted more Kiss
Up north niggas pop me in and do a hundred more
dips

He's a hustler
I hustle anywhere, any town, any borough, any strip, uh
He's a gambler
I always hold it down, getting bankroll in 4, 5, 6 in trips

He's a gangster
I always make the paper and the F.B.I. got me on they
list
That's why
He's a Ruff Ryder nigga, Ryde or Die nigga
By the way, did I tell you that my name is Kiss?

Yo, whether it's dope money or rap money, gamble the
shit
Trey pounds of Mauseburgs, handle the shit
Got too big for the city, cops brought in the Feds
So we moved across the map and brought in the bread

Niggas chill for a month and a half, no ruckus
Got the pictures of baggers and all of the gun busters
And you know how it go 'cuz it rarely'll change
Everybody got a license and a alias name

We don't smoke when we hustle and none of us talk
Back to back 'til we home, we can front in New York
'Cuz some of us is running from court
Smoking weed, mumbling thoughts
Trying to stay humble for shorts

We could do this the mob way and kiss you on both
cheeks
Or do it the hard way and shoot through your gold
teeth
Stand on any block, play Cee-lo and craps

And break niggas for they pack money, then give it
back, uh

He's a hustler
I hustle anywhere, any town, any borough, any strip, uh
He's a gambler
I always hold it down, getting bankroll in 4, 5, 6 in trips

He's a gangster
I always make the paper and the F.B.I. got me on they

That's why
He's a Ruff Ryder nigga, Ryde or Die nigga
By the way, did I tell you that my name is Kiss?
