I'm in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
I'm in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
I'm in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
I'm in the trap till the sky changes
Drug dealer nightmares, millionaire migraines

You ain't getting no money, that dumb shit is senseless
I'm moving that dog food from Maryland to Memphis
Before I sold a record I was platinum in the trenches
Before I got in the game, I started on the benches
You minor league, I'm ivy league, Princeton
I get it off the boat, after they sail them, Winston
All you have to do is add water, instant
Nigga, kill you over a quarter, or 10 cents
That's when your conscience starts speaking to your mind
Start looking for shit, seeking you should find
Up all hours of the night, peeking through the blind
Now you only communicating by speaking through your
9
Constantly waking up sweating and you're cold
You don't wanna die but you regret on getting old
A! or maybe it's a nigga on parole
Put them on to you, you get them all for him
Figure with you gone, fuck it, it's more for him
Besides, he don't wanna go up, A!
Cause that ain't no place for a nigga as soft as him
They ain't even A! to you yet, but you running
You don't know exactly when they coming, but they coming
When you love A! you get a A!
Feet above water, money above ceiling
Least a quarter million in a dummy yeah duffle
You know me, I'm bringing the army and they'll
touch you
Light that, pass that, nigga where the hash at?
Bill Gates headaches, Scarface flashbacks

No, ainâ€™t no comparing that attitude!
That little heart you got, Iâ€™m putting fear in that
And I ainâ€™t gotta say, you know where Iâ€™m at

Iâ€™m in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
Iâ€™m in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
Iâ€™m in the trap till the sky changes
Drug dealer nightmares, millionaire migraines
Iâ€™m in the trap till the sky changes
Drug dealer nightmares, millionaire migraines.
