[Hook: french montana]

Sleeping on the yacht  
Rollin off a bentley  
Showin you her back  
I'm tryna get it in

[Verse 1: wale & jadakiss]

New whip, paper tags, same checks, spend the cash  
A young black nigga on a fucking rap  
But that's some bad luck years if you in the path of a  
jag  
Got much to say, hallelujah I do it  
If pussy was music, I would have... rubies  
Montana, nigga stay schemin  
8g's in the peas, killing...  
V12, paper tags, you know I like mine in the paper bags  
Hop and go, make it fast  
Cut it with the rock scizz, make it last  
Tread mill and I'm in the sonar  
When you getting money you get caught up in the  
moment  
While that sucker shit, real niggas...  
You can get it, depending on how bad you want it

[Hook: french montana]

Sleeping on the yacht  
Rollin off a bentley  
Showin you her back  
I'm tryna get it in

[Verse 2: jadakiss & styles p]

Cocaine, d block, double mg, we got the streets locked  
We be high like a motherfucker  
On some niggas that we ride like a motherfucker  
Sipping on that yap, rolling of a beat  
Shawty on her back, I'm trying to get it in  
New 9, paper tags, stay... but you ain't where the lakers  
at  
Waterproof uzzi when I take a bath  
Mind goose nigga cut a motherfucking snake in half  
Mind taken,... big ass guns stand in front of it

It's only real niggas I get blunted with  
I only give a fuck about niggas I get hunched with  
Triple bean, paper tags, give you the whole thing  
Just pay for half  
Think about it, do the math  
Wired it to my account, screw the cash  
Kobe's corporate, give them a good batch and they  
won't get off it  
Sharp claws but they still open of it  
I ain't satisfied till they close the coffin

[Hook:french montana]

Sleeping on the yacht  
Rollin off a bentley  
Showin you her back  
I'm tryna get it in

[Outro: french montana]

Cocaine, d block, double mg, we got the streets locked  
We be high like a motherfucker  
On some niggas that we ride like a motherfucker  
Sleeping on the yacht  
Rollin off a bentley  
Showin you her back  
I'm tryna get it in
