Then may be you could understand why I need her
Besides her bein a diva, she wasn't bothered by the

cheba

Zodiac sign was a Libra, deffinatly a keepa
I just wanna put her in a sleepa, then fall out
underneath her

Wake up take a shower an get deepea
Juice up get some power then freak her
After the feedback, then I can G MaC
But there is something about her love making me need
that

When the drama comes my way
Long as I got you Girl Its nothin

Jadakiss:

They say every good woman needs a thug
I totally agree that's why I need your love
And I can't help it, if I'm selfish
Cause I need your love and nobody else's
Startin to taste in, pardon the bracelet
Chance of a life time and I can't waist it
If being beautiful was a test you'd aced it
Her skin is flawless, her hair is Waist length
Hi I'm Jason, and ma I'm patient
Be waitin for us to have relations
Kissin me is just history in the making
Squeezin and huggin I need your lovin...

Ne-Yo:

Little Mama thats your place
Keep holdin me down
