Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Looking in my mirror
Thinking 'bout last night
I can't help but see you
Running often through my mind

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

You were saying Mary
Don't let go, hold tight
I just wanna hold you
All through the night

This is something that I can't deny
Boy you know your touch just drives me wild
Won't you take my hand I'll set you free
I want you to belong to me

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Can't have you, if I wanted to

Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Yo, yo, yo
You might bump into the kiss late night or on the DN
speeding
In the drop, four thirty on my way to rock a birdie
With automatic lead in the car, bread in the car
Plus I'm gettin' head in the car, my wedding tomorrow
More duchies to the head, the ready you are

After the session with shorty I'll be better tomorrow
And you know how we are we always keep one or two
That don't say much like to hit a blunt or two
Or don't mind driving with raw in the trunk
Or freaking off for the week top floor in the trunk

Just laying back blowing twenty five's a skull
The our keys by the door with bow ties and posts
Can't let me get away but you ain't ready for kiss
Got the Chevy and the six wrists heavy and shit
Matter of fact we gonna take a trip and put the dats up
And cop the pink lemonade Cadillac truck

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

This is something that I can't deny
Boy you know your touch just drives me wild
Won't you take my hand I'll set you free
I want you to belong to me

Can't have you, if I wanted to
Can't have you
Can't let you go, no
Can't have you, if I wanted to
Can't have you
Can't let you go, no

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
Can't let you go, no

Can't have you, if I wanted to
Can't let you get away from me
Can't have you, if I wanted to
