[Chorus]

Shine, shine, shine
Everyday when I'm rollin thru the hood
Playas watch me 'cause they know I
Shine, shine, shine
Hey, I know I'm shinin a fresh pair of whities and a
crispy T on
Love to hate me 'cause you know I'm gonna
Shine, shine, shine

[Female Singer]

Keep doin what you doin
It's ya time and it's ya shine
I love the way you ride
I hope you shine
The party starts at nine
My friends are comin over
I really think you fly
Tonights the night

[Verse 1 - Snoop Dogg]

I shine like NeptuneS, Venus, and Mars
In ya face in ya state In and outta cars,
Interstate, win a date with one of my broads
But you gotta hate a bitch before she gets your dick
hard
That's what shinin about and when you get the hoe
You can tear her linin out, what you whinin about
You IN the presence of pimpin, I'm walkin while limpin
And holdin on the drink that I'm sippin, I'm flippin the
script an'
I'm slidin while I'm dippin my whip in, out of traffic
It's so drastic, boombastic, this shits a hit, Jadakiss
Matter fact, nephew this bitch is a classic, pass this
Ay yo locie loc' let's blow some dope, better yet lets go

Hoe for hoe, I'm so fa sho, and so low and sensational
You know how I do it

[Chorus]

With Snoop be in the front and his jewelry shinin all thru
his clothes and little tigger's
In the back on the low,

Uh ya,

Success happens with timin, over here I'm doin low with

When I'm over there I'm in the low low with my unc and
all the bitches is
Lookin for us but I aint lookin for puss, right now ma I'm
lookin for cush
And I'm strapped with the pound and house shoes,
cackies, T shirts
Uh uh after my surrounding, air force ones, jeans, city
lab
A fitted that's when I'm back in the town and don't get it
confused
I'm proud to be gone, be home in a year with duffle
bags out on the lawn
So much money my *****z keep countin it wrong, so
many hits
I can't keep count of the songs and we still grindin,
stainless still nine
And ya'll still hate but we still shinin
Let's go

[Chorus]

Everyday when I'm rollin thru the hood
Playas watch me 'cause they know I
