Uh-huh, real life shit  
Na' mean, true story  
Feel me, matter of fact, still feel me  
Uh yea, ayyo

Past few years, shit got so ill  
It was kinda hard for the God to laugh through tears  
I went through something with Momma, no drama  
Something that came and went, real life karma

My pop think his son is deserting 'em, it's hurtin' 'em  
Guess I gotta be the man, sit down and work with 'em  
My little boy 7, he the sequel to the thug  
So I told him the money will never equal the love

Listen I'm grown y'all  
When it comes to my family it's never a problem  
It's only a phone call, the tend to take that and run with  
it  
So every other month I be on some new number shit

They violated stay again  
Gus totaled the beamer and broke Kay leg again  
Shh, let us pray again  
And I ain't get enough of hanging in local bars yet

Had to let the thang off, cross town in the projects  
All these rumors, shit I ain't get robbed yet  
Bitch ass niggaz ain't stop actin' like broads yet  
And arm reach off a gun and a mask

Somebody clipped me for a hundred in cash  
Still feel me, I hit the road try to get more grip  
It was cool til' a mutha fuckin' tour bus flipped  
Uh, no charges brought up, bitch popped up with a kid  
Got caught up, then I put a court up

Now the road the the riches is taking me longer  
It ain't kill yet so it makin' me stronger  
I don't know if it's the hate, frustration, or hunger  
The keep a nigga going, rappin' for a reason

Shit don't just don't happen, shit happens for a reason  
I'm that dude, like it or love it  
I do my thang in the hood, get right with a budget  
Ain't afraid to give my life to the public

And when you see me next time maybe we can further  
discuss  
How my 16's give you a visual  
I know you thinking he ain't really selling, how he life  
off residuals  
But right now the game is pitiful  
Niggaz is lonely, they need company 'cuz they  
miserable

Yeah, uh-huh shit it still real B  
That's why I want you to still feel me  
Still feel me, one I'm out
