I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet  
I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet

I'm just swerving, tryna get my paper right  
Take a flight, hustle all the time, from the day to night  
I'm on my come up, these cowards wanna take it  
light  
Take a homie I can make it right  
Take a choir trip, nigga to a  
Burners on deck, perimeter good, got it loud  
These dudes is taking in shit real, have 14 shooters  
in 2 days  
Brick city, my mind stay  
Until I get to get away, and get enough air  
Try to feel me, so many safari tales  
Got the hammers there, homie so we  
I don't do a lot of talking, I ain't for words  
Smoke my herb, never pay attention to these nerds  
Kee it moving if it ain't about talk  
Out of line, get my young boy to let the desert talk

I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet  
I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet

You can either get cremated or get buried  
I'd rather hit you once in a head than with a flurry  
You ain't gonna suffer you ain't got to worry  
I'ma give you that strong shit, doctor Murray  
Catch me over the stove, my work of glass

I don't care about your name nigga, first or last  
I'm just here to damage your future and hurt your  
past  
You just better pray and hope that the nurse is fast  
10 toes on the ground so it's hard to slip  
Motherlode from the € so it's hard to flip  
Should have learned from €  
Got the thangs on deck and they large as shit  
I do my own thang, something you ain't do yet  
No I don't never use a tec, less I use a new tec  
I ain't never heard of y'all, y'all must be a  
new set  
Basically, I don't give a fuck what €

I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet  
I ain't never slip in the thangs is on deck  
Put the pressure on them, lames is gonna sweat  
Now, I don't care about your name or what you repp  
I do my own thang, make it rain you getting wet.
