Chorus:

Touch my chedda feel my...

Touch my chedda feel my...

Touch my chedda feel my...

I'll be smoking trees and their leaves when they found me

I'll be smoking trees and their leaves when they found me

I'll be smoking trees and their leaves when they found me

OK, I don't got nobody on my brand new Maserati
Got I'm sitting on the engine, screaming... at you boys!
They don't want a problem, I am fresh I...
Right upon that murder... next to daddy and them boys
Swiss open that casket, I... like it was cracking
Your ASAP was happening, let's get these bastards

I got no feeling in my body for nobody
So I probably take your hottie and just pass it to my boy
Oh, riding riding in that Bronx with that big...
Squeezing into the unconscious, then he shoot the
youngers
I knew he wasn't ready, I pull off like Machiavelli
Now I'm aiming at your belly watching... with my boys!
... to get focused,
Photo post got me opened
Now we're bad man and the...
And I'm the joker!

See them mollie and them boys
When they'll be flying, they'll be flying
All I say is... poppy and them boys!

Chorus:

Touch my chedda feel my...

Touch my chedda feel my...

Touch my chedda feel my...

I'll be smoking trees and their leaves when they found me

I'll be smoking trees and their leaves when they found

me
I'll be smoking trees and their leaves when they found
me

Rhyme, rhyme that... in the zone that's...
Ain't not hard to find me, I'm waving that...
I'll be smoking trees and their leaves with their mommy
I was on the block selling keys when they saw me
Roll, I've been sparkling... weary about the market
Salad Cush... every everything except chocolate
Yeah, I'm constantly... stuck with whatever I'm seeing
Patiently just waiting for that Bentley SUV
I was shopping on linen
Hate the fact that I'm shining
Feel the back of that..
Trying to run off with the consignment
Stop you on a...
Stop you on a...
Do it for the hood and niggas in the...
You know who I'm down with, what I overrun with
They're in the building, but I got the building
surrounded
All I do is wait cause I don't got time to count it
And the city is mine, ain't no fucking doubt about it!

Chorus:
Touch my chedda feel my...
Touch my chedda feel my...
Touch my chedda feel my...
I'll be smoking trees and their leaves when they found
us
I'll be smoking trees and their leaves when they found
us
I'll be smoking trees and their leaves when they found
us
