Let's go
K I S S me
Uh and I just wanna make
Love, love, love
Uh, I love it when you say
K I S S me
Uh and I just wanna make
Love, love, love

Ae yo, the crib got your friends workin'
We travel to France for French curtains
You was there when I was on the bench hurtin'
Now that I own my team, it's only right that I condone
my queen
Try to show her my dream and I can't let her get lost
now
She carries the money, the hammer and material
across town
And understand she's fine, understand she's mine
She understand the grind, cooks, clean and irons

And whatever shes wanna push I'mma cosign
And if I ain't got it already than I'mma go find it
I guess I'mma lucky don and she's a lucky queen
'Cause her jewelery box look likes lucky charms
All color stones and she know that I'm in the hood
But she also knows that I'm comin' home
Mr. Raspy thought I was in love with money
Till the first time we did the nasty

K I S S me
And I just wanna make
Love, love, love
I love it when you say
K I S S me
And I just wanna make
Love, love, love

Uh yo, whatever the road to paradise is we on it
Gave you your income tax checks so I can get on wit it
Those were the days these are the times
You held me down with nearly damn near everythin'

Even my rhymes, I will play a song for you
And you will let me know exactly
How the ladies will respond from a women's point of
view
And that's why my girl is with me

I love it when she layin' in the bed with a pearl long
vickie
The next best thing to a soldier
Go hard with a fat ass and a head full of rollers
Just look in her eyes and tell she real
Just imagine the way she smell and the way she feel
The sex was crazy then it's crazy still
And you know I'm from the streets, so it's crazy ill
And we waitin' on the new island
We been to all them 4, 5 times come on mommy you
whilin'

K I S S me
And I just wanna make
Love, love, love
I love it when you say
K I S S me
And I just wanna make
Love, love, love

When things was ruff only person I could call was you
Now everythin' I do, I do it all for you
Uh, come touch me, come kiss me
Come love me anyway you wanna boy
An' I'm good as long as I'm close to you
An' we doin' wut grown folks is suppose to do, c'mon
Come hold me, come feel me
Come take me anyway you wanna boy

A yo the money is great but what we got is more better
We got the four letters when it comes from the heart
it's more pleasure
And for the fact that you trust me still
Thus far I appreciate what we build
All the minks that I bought you that dragged the floor
And all the night you sat up and bagged the roar
Damn I'm thinkin' that you gotta hate it
But yet and still you tolerate it, that's why ma we gotta
make it

K I S S me
Ya and I just wanna make
Love, love, love
Uh, I love it when you say
K I S S me

Uh and I just wanna make
Love, love, love

K I S S me
And I just wanna make
Love, love, love
I love it when you say
K I S S me
And I just wanna make
Love, love, love
