i love you, yo  
game was a half bad till the fagots came,  
got the weed man need me at baggage claim  
in the same way never has the status change  
so when i tell you i love you, that's explains why i'm  
trying to get the ...souls move in the ? slow  
saint quentin bars with the pelican bay flow, toughed in  
a ? years  
chuck's in a ? representing for niggers, ?  
sales took a deep line, i got the dope working  
who else better could be the hood's spoke person  
knife to the neck got your throat squirting, hopefully  
you dead on a rival, close curtains  
yeah, i'ma be in the rear, faded, ? like i was dead when  
he made it  
everywhere you look i'm right there and you hate it  
if it's good then copy it i don't care what the wait is, i  
don't care  
think will happen, so don't chance them, i make ...  
music, in the yard anthems  
some niggers pay bills, some niggers pay ransoms  
i don't just sell my bricks, i advance them

i don't just break the artists, i enhance them  
anytime i'm with the devil, i'm dancing, yeah  
i got extra jewels on, lot of these niggers be pussies,  
plus they move wrong  
that's why they be the dudes that get moved on, big  
pictures over when they turn the news on  
word coming from the bay and from tucson, case a  
nigger gets in the way you know what to do to them, no  
move on to the next mission, i'm getting money  
though, no i ain't said tripping  
i'm just saying that's what it is, you ain't gonna have a  
problem paying if you love the kids  
ballshit homie, in the beverly center with the 4 50 on  
me,  
i was holding the civic, east side, 400 strong over the  
bridge  
does ? too powerful to go on the fridge, but go in your  
girlfriend's mouth then go in the ribs, ha ha  
besides money i ain't bring shit, except for the 3 piece

and the wing tips  
pockets square and the time fords, you know what it is,  
is that time log  
i love you.
