Jadakiss: Let's go

Mariah: K-I-S-S me

Jadakiss: And I just wanna make

Mariah: Love, love, love

Jadakiss: I love it when you say

Mariah: K-I-S-S me

Jadakiss: And I just wanna make

Mariah: Love, love, love

Jadakiss:

Hey yo

The crib got your friends working

We travel to France for French curtains

You was there when I was on the bench hurtin'

Now that I own my team

It's only right that can I dole my queen

Try to show her my dream

And I can't let her get lost now

She carries the money

The --- is immaterial across town

And understand she's fine

And understand she's mine

She understand the grime

Cook, cleans, and irons

Whenever she wanna push

I'ma co-sign it

If I ain't got it already

Then I'ma go find it

I guess I'm a lucky Don

And she a lucky queen

'Cause the jewelry box

Look like Lucky Charms

All color stones

And she know I'm in the hood

But she also knows that I'm comin' home

Mr. Raspy

Thought I was in love with money

'Til the first time we did the nasty

Mariah: K-I-S-S me

Jadakiss: And I just wanna make

Mariah: Love, love, love  
Jadakiss: I love it when you say  
Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love, love, love

Yo, whatever the road to paradise is beyond it  
Gave me your income tax checks  
So I could get on wit'  
Those were the days  
These are the times  
You held me down  
With nearly damn near everything  
Even my rhymes  
I will play a song for you  
And you will tell me exactly  
How the ladies will respond  
From a woman's point of view  
(Mariah: From a womans point of view)  
And thats why my girls with me  
I love it when she layin' in the bed  
In the --- Vicky

The next best thing to a soldier  
Go hard with the fat ass  
And a head full of rollers  
Just look in her eyes  
And tell she real  
Just imagine the way she smell  
The way she feel  
The sex was crazy  
Then it's crazy still  
(Mariah: Crazy still)  
You know I'm from the streets  
So it's crazy ill  
(Mariah: Crazy ill)  
We waitin' on a new island  
We been to all of them

Four or five times  
Come on mami

Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love love love  
Jadakiss: I love it when you say  
Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love love love

Jadakiss:

When things was rough  
Only person I could call was you  
Now everything I do  
I do it all for you  
Uh

Mariah:  
Come touch me  
Come kiss me  
Come love me  
Any way you want to boy

Jadakiss:  
When I'm good  
As long as I'm close to you  
And we doin' what grown folks  
Are supposed to do  
Come on

Mariah:  
Come hold me  
Come feel me  
Come take me  
Any way you want to boy

Jadakiss:  
Money is great  
But what we got is more better  
We got the four letters  
When it comes from the heart  
It's more pleasure  
And for the fact that you trust me still  
Thus far I appreciate what we've built  
All the minks that I've bought you  
That drag the floor  
And all the nights that you sat up  
And bagged the raw  
Damn, I'm thinkin' you gotta hate it  
But yet still we tolerate it  
(Mariah: We gon' make it, we gon' make it)  
That's why I'm thinkin'  
We gotta make it

Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love, love, love  
Jadakiss: I love it when you say  
Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love, love, love

Mariah: K-I-S-S me  
Jadakiss: And I just wanna make  
Mariah: Love, love, love  
Jadakiss: I love it when you say
