she in the first year ..
she told me that she wanna be a doctor
free every way she go she a hot woman
and never met her she put a brick on proper
she don't eat lobster don't drink no champaign
don't want no boyfriend don't want no wedding ring
she aint' worrying about the money
'cause sex is the only thing she want from me

chorus:
anything she want, she gonna get it, she gonna get it
she gonna give it all, i'm gonna get it , i'm gonna get it
she may be young but she's ready (x2)
she's too young to make love
gonna to make love, old enough to get
she got lost and hot us
she just wanna be touched
she may be young but she's ready (x2)

she got the mind of a lawyer
but the body of a dancer
you know she a freaker she a ..
is it like a ruff so you ain't gotta romance her

she don't eat lobster don't drink no champaign
don't want no boyfriend don't want no wedding ring

she aint' worrying about the money
'cause sex is the only thing she want from me

chorus:
anything she want, she gonna get it, she gonna get it
she gonna give it all, i'm gonna get it , i'm gonna get it
she may be young but she's ready (x2)
she's too young to make love
gonna to make love, old enough to get
she got lost and hot us
she just wanna be touched
she may be young but she's ready (x2)

it was outrageous at me on the day 'cause she put it

back shot crazy don't get steady
