Mmmmm, yeah.
Blessed that be the ties that bind. Woaaa. [repeat].

Do you ever take the time to concentrate your mind and listen,
[ooo, yeah] listen to the music [to] your inner soul
[to] marvel at the beauty that nature holds,
[Do you ever] spread your wings to freedom,
Erasing from your mind all the doubts,
You see, soaring like an eagle?
Do you picture it? Your loving heart will guide you, you,
you.

Blessed, Blessed. O, yeah!
My soul feels good about the ties that bind, me and
you, and all mankind, together [repeat]. Woaaa.
Blessed that be the ties that bind. Woaaa. Ooooo.

Glorify your love, place it far above all others, ooooo,
yeah.
Take it to the power of your mothers love
precious memories ... gather little children
Turn your face in view to the rising sun [flame of love].
Is a gift to you [burning to beat of your soul, alright].
Blessed. Blessed. O, yeah. yeah. yeah.

Blessed. Blessed. Blessed. Blessed. Oo, ooooo!
[repeat]

My soul feels good about the ties that bind, me and
you, and all mankind, together.

Blessed. Blessed. Blessed. Blessed. ooooo! [repeat]

Gather little children [gather],
Place no one above you.

Glorify, mmmmm.
Blessed, Blessed.
