Hi, we're not in right now
But if you leave your name and number
We'll get back to you, to you, to you, ah

I got all this love, waiting just for you
I just got to know that your love is true
Can't keep running, boy, in and out my life
Wanna be your girl, not 'cause the mood is right

If I let you come inside
Tomorrow will you hide?
Will you be there for me?
When I need someone to hold

Baby, don't misunderstand
I do want you for my man
I just need a little time
Before I invest my love

Don't walk away, boy
My love wont hurt you
Don't walk away, boy
I'll be right there for you

You say all the things
That I like to hear
You push all my buttons, baby
Love to have you close to me

Wanna feel your love
Wanna be for sure
That's it's me you need, baby
Each and every night

If I let you come inside
Tomorrow, will you hide?
Will you be there for me?
When I need someone to hold

Baby, don't misunderstand
I do want you for my man
I just need a little time

Before I invest my love

Don't walk away, boy
My love wont hurt you
Don't walk away boy
I'll be right there for you

Baby, don't misunderstand
I want you for my man
I need a little time
Before I give you my love

Don't walk away, boy
I'll be right there for you
Don't do, don't do, do, do, don't
Don't walk away

Don't walk away, boy
Don't walk away, boy
I'll be right there for you
Don't walk away

Don't walk away, boy
My love wont hurt you
Don't walk away, boy
I'll be right there for you

Don't walk away, boy
My love wont hurt you
Don't walk away, boy
I'll be right there for you
