( Hi, were not in right now but if you leave your name  
and number, we'll get back to you, to you, to you,  
ahhhh)

I got all this love, waiting just for you  
I just got to know, that your love is true  
Can't keep running boy, in and out my life  
Wanna be your girl, not cause the mood is right

If i let you come inside  
Tomorrow will you hide?  
Will you be there for me?  
When i need someone to hold

Baby don't misunderstand  
I do want you for my man  
I just need a little time  
Before i invest my love

Don't walk away boy  
My love wont hurt you  
Don't walk away boy,  
I'll be right there for you

You say all the things  
That i like to hear  
You push all my buttons baby  
Love to have you close to me  
Wanna feel your love  
Wanna be for sure  
That's it's me you need baby  
Each and every nite

If I let you come inside  
Tomorrow will you hide?  
Will you be there for me?  
When I need someone to hold

Baby don't misunderstand  
I do want you for my man  
I just need a little time  
Before i invest my love

Don't walk away boy  
My love wont hurt you  
Don't walk away boy,  
I'll be right there for you

Baby don't misunderstand  
I want you for my man  
I need a little time  
Before I give you my love

Don't walk away boy,  
I'll be right there for you

Don't, doooooo don't, dooo, doo ,dooo don't  
Don't walk away

Don't walk away boy  
Don't walk away boy  
I'll be right there for you

Don't walk away

Don't walk away boy  
My love wont hurt you  
Don't walk away boy,  
I'll be right there for you  
Don't walk away boy  
My love wont hurt you  
Don't walk away boy,  
I'll be right there for you
