### Verse 1

Do you still remember when you promised me the  
perfect love  
And I gave you everything and still you said it wasn't  
enough  
When you hit me verbally put me on my knees and  
blamed it on me  
And I swallowed it down

I let you break my wings chose to become your caged  
up bird  
Ate your bullshit promises and cherished every fucking  
word  
Now like a freedom phoenix rising from the burning  
sun  
Here's my vindication

### Chorus:

Alright, Ok  
Gonna get a taste of my heartbreak right now today  
I'm gonna make you regret all your dirty ways  
Alright, Ok  
Your gonna get a taste of my heartbreak right now  
today  
I'm gonna make you become my human sacrifice

### Verse 2

Let's go back into the time you stained my heart like  
merlot wine  
Didn't care if I was sick you left me alone to cry and die  
Your human sacrifice alone in your church of love and  
lies  
I did not forget  
I'm back with ammunition on a mission that will make  
you pay  
Back with a bazooka and a bullet where I wrote your  
name  
Risen up from the ashes ready for my justice day  
Here I come for you
