What time is it?

Man, I can't believe he done stood me up again
I don't deserve this, what kind of fool does he think I
am?

Time after time and today, but what for?
Huh, you know what I think it's time I've looked for Mr.
DoRight!

(Verse 1)

Worked all day long I need a man who's back is real
strong
Someone to fulfill my intellect and sexual desires
Now please don't get me wrong, I don't even come on
strong
It's been awhile since I've been satisfied
And these feelings I can no longer hide

(Chorus)

I used to be in love, but it was ohh so long ago
My mind and body's craving, for a real man to give me
some love
But now that you're here with me, there's a smile up on
my face
'Cause loving you is so damn easy, and you sure 'nuff
driving me crazy
Can't someone stop this rain from falling on my face
I'm looking for Mr. (DoRight 2x) someone who can do it
all night
When will you learn playing with fire really burns
I'm searching for Mr. (DoRight 2x) someone who can
lead me through the night

(Verse 2)

I sit here waiting, you just won't call
My mind is so confused, but you don't seem to care at
all
Now Lord knows I've tried to keep our love alive
So I sing this song for you, 'cause it seems like the
right thing to do

(Repeat Chorus)

(Ad-lib and fade to end)

You used to love me, I need a real man, I need a strong
man

Do Right(2x)

I need a Mr. DoRight, you don't hold me like you used to
My mind and body's craving, ohh yeah for Mr. (DoRight
2x)

Lord knows I've tried, Mr. DoRight

Don't keep me waiting, anticipating ohhhh

I worked all week long, I need a Mr., I need a man who's
back is real strong

Fulfill me, take care of my sexual desires baby
