You're a victim of love thats all gone wrong.
Honesty was a lie that commit to the Lord.
Got the picture so don't you look at me.
It's gone.
Oh no.
That makes you history.

If you think that I'm a kid then you got it all wrong.
I ought to say you don't belong.
I only knew you loved me from the start here.
Too bad we had to drift apart.

You're a victim of love thats all gone wrong.
Honesty was a lie that commit to the Lord.
Got the picture so don't you look at me.
It's gone.
Oh no.
That makes you history.

Standing all alone, I'd like to see.
Those days are over.
I understand they're all the best in me.
Won't you see.
Let me free and give my shoulder.

You're a victim of love thats all gone wrong.
Honesty was a lie that commit to the Lord.
Got the picture so don't you look at me.
It's gone.
Oh no.
That makes you history.

Do you recognize the rules?
The plane we're on so long.
I'd like to sympathize pardon your lives were not too long.

You're a victim of love thats all gone wrong.
Honesty was a lie that commit to the Lord.
Got the picture so don't you look at me.
It's gone.
Oh no.

That makes you history.

You're a victim of love that's all gone wrong.

Honesty was a lie that I committed to the Lord.

Got the picture so don't you look at me.

It's gone.

Oh no.

That makes you history!!!
