Morning,
and im still awake,
I've laughed so hard that my head starts to ache,
Friends drink, pass out on the ground,
as the record skips goin round and round.

[bridge]
My dancing shoes are well abused,
My hair is just doin its own thing,
But I feel alright, I had fun last night,
I smile to myself as I sing,

(Chours)
cause I know (i know)
that these days (these days)
will be memories, specially made for me,
i know (i know)
i'll look back, (i'll look back)
smiling at things we say, crazy games we play
i know, Sweet memories, ohhh, yea-a

Sun wakes, upon sleepy eyes,
hangover complaints come as no surprise,

we all stroll down, to the cheap cafe, in a world of our
own,
with cars so far away

[bridge]
(chours)

long as life dont fade too soon,
while dancing with guys to the latest june,
we'll all wake up in the afternoon, cause you know its
alright,

(spoken)
some days I feel so complicated,
a moody thought i've always hated,
thank the lord im not jaded,
oh oh oh yeah
The sun she sets on summer days,

drowns the strret in golden rays,
something thought, i never knew,
IT REMINDS ME

(chours X2)
