(Wadge/Gallagher)

If I knew this was the first time I'd see your face
I'd tell you how lovely you are so full of peace and so
full of grace
If I knew this was the last time that I would get to say
I'm so happy for the moments staring into space

Cos I miss you
I don't need to say
How much I miss you
Only feels like yesterday
But I'll hold you here inside my mind
When I need to see you I'll just close my eyes
I'll just close my eyes

If I knew this was your last touch I wouldn't move my
hands

I'd hold you closer than before if this was our last
dance
If I knew this was your last breath I wouldn't let you go
I'd keep you here with soft words and watch the
minutes flow

Cos I miss you
I don't need to say
How much I miss you
Only feels like yesterday
But I'll hold you here inside my mind
When I need to see you I'll just close my eyes

Oh why oh why oh why
Oh why oh why oh why oh why
But I'll hold you here inside my mind
When I need to see you
I'll just close my eyes
