It's not alright, it's not ok  
It's the second time today  
You pushed me off and you're acting kind of selfish  
Don't you know, that it hurts  
Every time you walk away  
I'm still here holding on, it's not painless

I wanna be in love, I wanna be in love  
I wanna be in love again  
I wanna be in love, I wanna be with you  
Talking like we did back then  
I wanna be in love, I wanna be in love  
I wanna be in love again  
How long before it's all gone?

I wanna be in love again

You don't know, you don't care  
Putting circles in a square  
When all I want is for us to be together  
What the hell can I do to get this through to you?  
Can I turn it around could we ever?  
Don't you know I...

I wanna be in love, I wanna be in love  
I wanna be in love again  
I wanna be in love, I wanna be with you

Talking like we did back then  
I wanna be in love, I wanna be in love  
I wanna be in love again  
How long before it's all gone?

I'm so tired of falling in and out of everything we used  
to think was our love  
I'm so tired of falling in and out of everything we used  
to think was our love  
I'm so tired of falling in and out of everything we used  
to think was our love

I wanna be in love, I wanna be in love  
I wanna be in love again

I wanna be in love, I wanna be with you (I wanna be)  
Talking like we did back then (like we did back then)  
I wanna be in love, I wanna be in love  
I wanna be in love again (love again)  
How long before it's all gone?(I wanna be in love)

I wanna be in love, I wanna be in love  
I wanna be in love again?(I wanna be in love)  
I wanna be in love, I wanna be with you (with you)  
Talking like we did back then (like we did back then)  
I wanna be in love, I wanna be in love  
I wanna be in love again (wanna be in love)  
How long before it's all gone?(before it's all gone)
